

Open Up the Real World

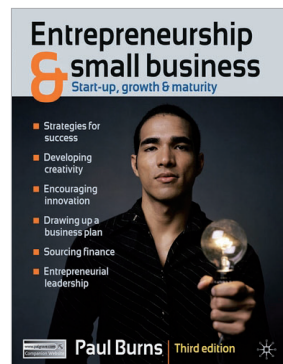

Do your students struggle to relate business theory to practice?

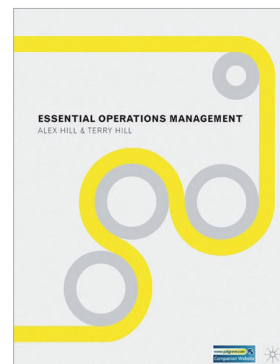

Our business textbooks do exactly what they say on the tin, combining expertly written theory with true-to-life global examples - bringing the **real world** of business directly into the classroom.

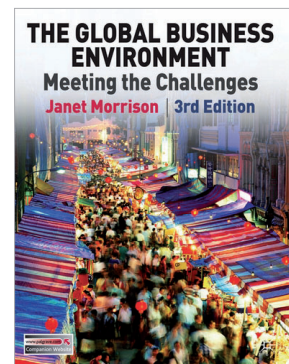

Business Strategy
David Campbell, David Edgar
and George Stonehouse

**Entrepreneurship and
Small Business**
Paul Burns

**Essential Operations
Management**
Alex Hill and Terry Hill

**The Global Business
Environment**
Janet Morrison
